

# Curriculum Vitae (CV)

## Jens Kristian Fønnesbech

### Personal details

Full name: **Jens Kristian Fønnesbech Jensen**  
Nationality: **Danish**  
DOB: **12:12:1947**  
Marital status: **Married**  
Address: **Langgyden 3,  
DK5580 Nørre Aaby,  
Denmark**  
Telefon **(+45) 6448 1772,**  
mob.: **(+45) 2080 1751**  
E-mail.: [\*\*jkf@aiban.dk\*\*](mailto:jkf@aiban.dk)

### Education

- Master of Science in Engineering, M.Sc. 1976

### Experience:

- Research in winterservice and traffic accidents.
- Research in dry/prewettted salt spread with spinner, versus Brine spread with nozzles.
- Research in effectiveness of salt spreading equipment.
- Calibration and modification of equipment for measuring residual salt on the road.
- Participate in winter congresses international, (USA, Canada, Japan, Italy, Spain).
- Participate in the e-mail service "Snow & Ice".
- Study and use of LMC (latex modified concret) on bridges.
- Research on new asphalt types in praxis.

### Presentations and publications:

- Traffic Accidents on Slippery Roads, Piarc Winterkongres 2014, Andorra.
- "Ice Control with Brine spread with nozzles on Highways" Piarc Winterkongres, Qubec 2010.
- "Precise spreading of liquid (Brine) with GPS and nozzles". Vianordica2008, Helsinki, Finland
- "Use of brine for preventive and curative treatments". IX Jornados de Vialidad Invernal, 2008 "Sostenibilidad de la Vialidad Invernal" Spain
- Publishing reports about effectiveness of spreading equipment. [www.plan.aau.dk/~bolet](http://www.plan.aau.dk/~bolet)
- "Winter maintenance in Nordic Countries". Piarc, Riga Latvia 2005.
- "Optimization of salt spreading method, to minimize consumption". Piarc vinterkongres, Sapparo, Japan 2002.
- "Ice control Technology with 20% brine on highways" Kelowna, BC Canada 2001
- "Ice control Technology with 20% brine on highways" Roanoke, Virginia 2000. (Transportation Research Record 1741, Transportation Research Board, National Research, Council, Washington, D.C., 2001, pp. 54-59)
- Use quality management on the internet. [www.kvalitetshaandbog.net/](http://www.kvalitetshaandbog.net/)

## **Job and Management**

- 2007-2008 Head of Department of Technique and Environment, Nordfyns Kommune (Municipality of North Funen).
- 1994-2006 Head of the division of road maintenance, County of Funen
- 1993 The danish Road Directorate
